Wall of Support

August 10-12

Lisbon's Annual Sauerkraut Days celebration has been a great success thanks to business and community support over the years!

Planning for the 2017 festival is well underway. Sauerkraut Days are August 10-12, 2017. You can expect to see some new events and also enjoy long time traditions including: free sauerkraut, ice cream social, Lora Light Memorial Parade, 5K run/walk and fireworks. Our Wall of Support has been restructured, and we would like your business or individual name to be featured throughout the 3 day festival! Your donation is important to us and with your help we can continue to make Sauerkraut Days bigger and better each year!

We are offering five levels of tax deductible support:

- **Seed Level:** By donating \$50.00 your business or individual name will be listed on the Wall of Support in one color.
- **Sprout Level:** By donating \$100.00 you will receive a 12" x 18" sign with your business logo, names, address, phone number, and website listed.
- **Cabbage Level:** By donating \$150.00 you will receive a 2' x 2' sign with your business logo, names, address, phone number, and website listed in full color.
- **Fermentation Level:** By donating \$250.00 you will receive a 2' x 2' sign with your business logo, name, address, phone number, website listed in full color, and name on schedule of events!
